St. Mary's University College

Wednesday 3rd August, 2.30pm

Guest Speaker: **Bernadette McAliskey**,  
Coordinator, South Tyrone Empowerment Programme

The West Against Racism Network (WARN) invites you to the launch of its new booklet 'Working Against Racism - An Anti Racism Resource for Community Organisations in West Belfast'. This booklet will be a valuable resource for activists and community organisations who are interested in addressing the issue of racism. It explores the roots of racism and its connections with sectarianism, examines different forms of racism and what can be done to combat it.
